

# ROCKWALL MEDICAL CENTER WELCOMES

## CIVA

THE CARDIOVASCULAR SPECIALISTS

*The doctors at CIVA  
have been consistently  
recognized in  
D Magazine's  
Best Doctor lists.*

*For nearly 30 years, CIVA has been recognized throughout Texas and internationally for excellence, innovation and compassion in cardiovascular diagnosis and treatments. Our board-certified physicians specialize in the diagnosis of cardiovascular disease using non-invasive technologies, such as nuclear, ultrasound and CT technology. Our new office at Rockwall Medical Center, opening January 2007, expands our regional cardiovascular presence and offers greater convenience to patients who live outside of Dallas. For more information about CIVA, feel free to call us at 214.369.3613.*
